

REMARKS

Claims 1-24 were provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 16-19, 22, 24 and 36-38 of copending Application No. 09/825,453. Applicants submit herewith a Terminal Disclaimer disclaiming any portion of a patent issuing on the present invention which would extend beyond the terms of copending U.S. Application No. 09/825,453. The Terminal Disclaimer is believed to overcome this rejection.

Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Raymond L. Owens  
Attorney for Applicants
